H.S. MATH DEPARTMENT

The FHS Math Department is requiring all students enrolled in Algebra I, Algebra II, Pre-Calculus, & Calculus to purchase a **TI 83 Plus or TI 84 Plus** graphing calculator. It is highly recommended that students enrolled in Geometry or Geometry/Trig purchase a graphing calculator also. There are a limited number of calculators available to rent for \$50 deposit at the beginning of the year with \$40 returned at the end of the school year. We will start with the higher math classes (Calculus, Pre-Calculus, etc.) and work down at a first come first serve basis with the rental calculators.
