Dear Forrestville Valley Elementary Parents/Guardians,

We hope everyone's school year is off to a good start. This year's Open Houses/Book Fairs will include a presentation by your son and/or daughter(s)' teachers **at the times indicated below**. You will learn a variety of items your child will be experiencing over the school year such as: curriculum, assessments, behavior management systems, technology, grading scales, field trips, etcetera. We will also be hosting our Book Fairs at both GVGS and FGS throughout the Open House times. Please contact Tiffany Salins @ 815-955-4533 if you are willing to help at the Book Fairs. Your students are welcome to join you during the presentations by your child's teachers. During times when classroom teachers are not presenting, feel free to visit your child's Special Education teachers' classrooms, Physical Education teacher (in Libraries), Music teachers' classrooms, Art teacher's classrooms, Speech teacher (in Libraries), and for 3rd – 5th grade parents, in your students' other two rooms where the presentation was not held.
