

Little Cardinals Preschool & Early Learning Academy Parent Handbook

2020-2021

Purpose

The LCP (Little Cardinals Preschool) Program and the ELA (Early Learning Academy) Program are

located in the German Valley Grade School. These programs promote and challenge the emotional, social, physical and intellectual development of young children in a positive environment. The programs meet the needs of children and their families of varying abilities as well as diverse cultural, linguistic and economic backgrounds.

We provide active, hands-on experiences, which enhance growth according to each child's age and stage of development. Involvement with parents and families occurs in an atmosphere of respect and cooperation. Our goal is to better prepare students for success in college and the workforce in a competitive global economy.

Eligibility

The programs serve preschool-age children and their families. Eligibility is determined after a child has participated in a preschool screening and a parent questionnaire has been completed. The results are reviewed by the Early Childhood Team and a placement recommendation is made. Children may qualify for either a free or a tuition-funded program. **All Little Cardinal Preschool students MUST be potty trained before the first day of school.**

Screening Information

Children who are ages 3 to 5 may participate in preschool screenings. Screenings are done periodically throughout the school year. Please call German Valley Grade School, 815-362-2279, for the next available date.

Registration

Parents must register their child by filling out the appropriate paperwork. All students must have a certified copy of their birth certificate issued from the courthouse and a current physical including up-to-date immunization records and a lead screening available at the time of registration.

Little Cardinals Preschool & Early Learning Academy Program Schedule

The programs will follow the calendar of the Forrestville Valley School District regarding vacations, holidays, snow days, and emergency dismissals.
