Dear Forrestville Valley Community,

The following is our data for the week of February 25, 2022:

Data	Total District	FJSHS	FGS	GVGS
Number of Cases this week	3	0	2	1
Percent of Cases this week	0.34%	0.00%	0.75%	0.88%

I am happy to report this is the lowest number of cases we have seen this semester! Please continue to do your part to keep this transmission low and be sure to keep your student home if they are not feeling well. Testing is still available at all school sites and our procedures are still in place for positive cases, household contacts, and masking on all school buses. We will post our weekly data at all school sites and implement mitigation measures if the number of cases warrant additional precautions.

Please continue to implement the mitigation strategies best for your family during the school day.
