Masking has continued to remain optional in all buildings as well as our school buses. CDC recommends masking when transmission is high, and we will be sure to notify you in the event we see our numbers trending this direction. This week we have resumed group work at all grade levels, implemented use of lockers during passing periods at FJSHS, and students are no longer required to mask during music/chorus classes. We expect lunch protocols to remain throughout the remainder of this school year.

This coming week marks a two-year anniversary of our first closings due to this pandemic. I want to thank you for support as we have navigated such unique and challenging times. As we celebrate moving forward, may we continue to do so together.

Have a wonderful weekend ahead.

Sincerely,

Mrs. Smith
