November 5, 2021

Dear Forrestville Valley Community,

The following is our data for the week: November 5, 2021

Data	Total District	FJSHS	FGS	GVGS
Number of Cases this week	2	1	0	1
Percent of Cases this week	0.23%	0.20%	0.00%	0.91%
Year to Date Cases* (August 2021 – Present)	33	18	10	5
Change in Cases from Last Week	+2	+1	0	+1

\*Year to date, 30 household account for the 33 positive cases and the total number includes all students and staff.

Nurse Nelson is working with our local area agencies to provide a covid vaccination clinic to include the latest approved Pfizer vaccine for children ages 5-11. Due to the timing of availability for onsite clinics, we do not anticipate a clinic to be held until after our holiday break. Any clinic involving children under the age of 11 will be held *after* school hours and parents will be required to be present.

Local area health departments will likely offer the vaccine for children under 11 prior to our availability. If you are interested in more information, please contact your local health department for details.

Have a wonderful weekend ahead,

*Mrs. Smith*
